Customer Portal - Verigates

Introduction

- Verigates is a web platform dedicated to Import verification programmes operated by Bureau Veritas GSIT Division. This portal is accessible to all economic operators such as Importers and Exporters.
- This Document summarizes the main functionalities of the customer portal.
- It applies to all people working for an economic operator who want to lodge a Request For Certificate or consult files status.
- Requirements:
 - Internet Explorer 7 or greater version (working with IE6 but not optimized), Chrome, Safari, Firefox
 - Adobe Reader

Verigates : a Responsive Design

The site is designed to fit all web-based devices automatically

ABOUT US

Verigates is a web platform dedicated to pre-shipment inspection programmes operated by Bureau Veritas, Government Services & International Trade Division.

Verigates is a secure interactive portal covering all the processes between Bureau Veritas operational offices and the international trade community. It is a 24/365 front office which gives fast access to information for the trade operator.

The application allows you to lodge your PSI order and subsequently consult the status of your corresponding files in real time.
